About Me

Hi, this is Tareq(tamim) here, currently i am a final year electrical and electronic engineering student at university of Chittagong and a part time wordpress and front-end developer.

I have been working as a freelancer with WordPress for the past 1-2 years in different freelancing platforms like fiverr and PPH and looking for opportunities to grow even more.

Professional Experience

Tareq M.

Level one seller, Fiverr

April 2022 - continue

I am Working as a part-time freelancer in Fiverr.

**Wordpress Developer and manager at
SENSIBLE DESIGNING -**

<https://sensibledesigning.com/>

May 2023 - Feb 2024

Completely built 4-5 websites for their clients and also maintained all their website almost for a year.

Projects

* **Burleigh Beach Blast - Event Website**

Link - <https://burleighbeachblast.com/>

this is a event website completely built with elementor pro page builder and Hello elementor theme. i have developed this for my Australian client "erchana" whom i got contacted in fiverr.

* **Globia Content - a content service providing websote**

Link - <https://globiacontent.com/>

This is a redesigned website completely built by me for my client lee who is a content manager. i am still a manager of her sites for future updates.

* **Church website for stannesiston**

Link - <https://stannesiston.co.uk/>

this is a church website that i have built when i was working under sensibledesigning .

* **Ask Consulting Solution**

Link - <https://www.askconsultingsolutions.com/>

this is a consulting website completely rebranded by me for my client adam kimmel who is engineer as well as a blogger too.
